SUBJECT: COUNTY COMMITTEE ELECTION

---

Three seats on the Santa Clara County Committee on School District Organization (County Committee) were to be on the ballot for the 2009 election for County Committee members -- Supervisorial Districts 1, 3, and 5. However, only one eligible candidate from each of those Supervisorial Districts filed for the election. Given these circumstances, no election will be held this year.

The candidates who filed for election include incumbent Steve Glickman in Supervisorial District 1, Rich Garcia in District 3, and Josephine Lucey in District 5. Please join me in welcoming back our members.

All have experience as members of school district governing boards. Mr. Glickman has over 10 years experience on the committee and past experience with the Los Gatos Union School District. Mr. Garcia is the current board president for San Jose Unified School District and has served on the committee for four years. Ms. Lucey has served on the County Committee since 2005 and is a current board member with the Cupertino Union School District.

If you have any questions regarding this process or the County Committee, please contact me at (408) 453-6869.
